Decorative Suspension

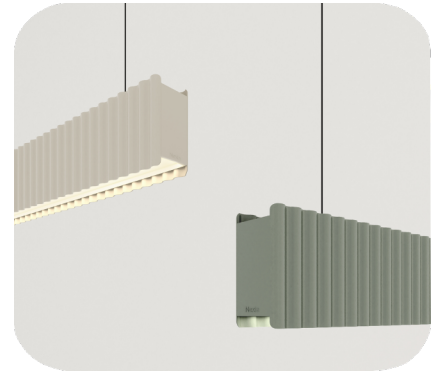

Designed to get a linear and clean shape in spaces. With this fixture we achieve comfort in all senses; light and acoustic. Its customizable panels in finishes absorb sound with a sustainable sense.

Dune

Decorative Suspended

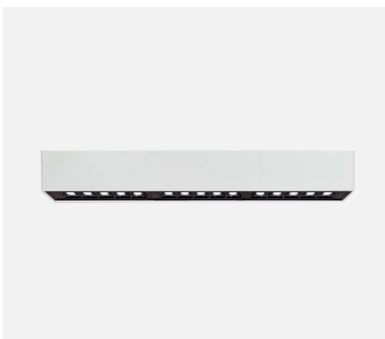

Dune is a linear luminaire that provides a very technical and rigorous lighting with a unique, pleasant and decorative design. This lamp not only allows you to play with direct lighting but also the body of the lamp itself creates a combination of light and shade through the undulation of its skin. The family is composed by 3 suspended models and 1 wall lamp.

Infinity Wall

Up & Down Wall Light

The Infinity family is made up of continuous light linear structures with a variety of installations and endless configurations. It exists in a wall, suspended, recessed and surfaced version.

Infinity Dot

Linear Light

The Infinity family is made up of continuous light linear structures with a variety of installations and endless configurations. It exists in a wall, suspended, recessed and surfaced version.

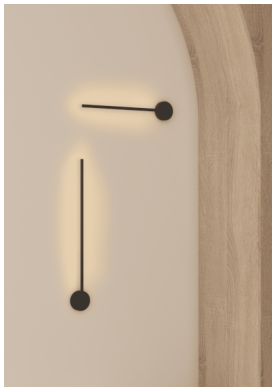

Bow Suspended Horizontal

Decorative Pendant

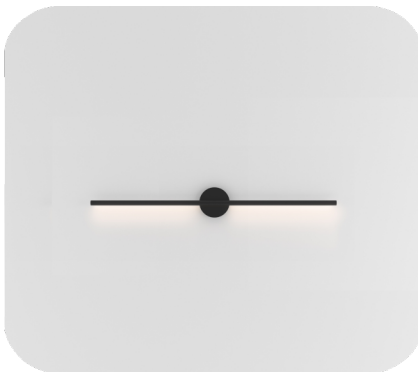

Created to give an incredible lighting effect thanks to the backlighting. The aesthetics of the whole family is unique, elegant and minimalistic. Its multiple versions allow you to apply this iconic effect in any space.

Lines Wall Vertical

Decorative Wall

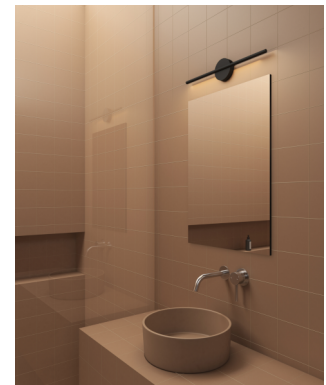

Lines is defined by its capacity to create warmth in any space, its multiple versions can be used as ambient lighting or accent lighting and can be projected in hallways, bathroom mirrors, highlighting art paintings, among many other applications. Thanks to the LED technology used, it creates a technical, warm and controlled light that is perfect for every project.

Lines Wall Horizontal

Decorative Wall

Lines is defined by its capacity to create warmth in any space, its multiple versions can be used as ambient lighting or accent lighting and can be projected in hallways, bathroom mirrors, highlighting art paintings, among many other applications. Thanks to the LED technology used, it creates a technical, warm and controlled light that is perfect for every project.

Tires Air

Decorative Pendant

The perfect balance between design, technicity and warmth. It allows your personalization by playing with the multiple finishes and shapes available. This family includes the sustainable acoustic panel to absorb the acoustic pollution of the space.

Tires Down

Decorative Ceiling Mounted

We have extended the family with 3 ceiling versions. They are characterised by their extreme lighting technicity as they allow you to play with 2 lightings combining: direct and indirect lighting.

Aros Wall

Decorative Wall Fixture

Designed to integrate design with functionality. Made of aluminium, it allows the combination of direct and indirect general lighting with accent lighting. It is a system that can be fully customized to suit each space.

Aros Double

Decorative Pendants

Designed to integrate design with functionality. Made of aluminium, it allows the combination of direct and indirect general lighting with accent lighting. It is a system that can be fully customized to suit each space.

Dune Wall

Decorative Wall Fixture

Dune is a lineal luminaire that provides a very technical and rigorous lighting with a unique, pleasant and decorative design. This lamp not only allows you to play with direct lighting but also the body of the lamp itself creates a combination of light and shade through the undulation of its skin. The family is composed by 3 suspended models and 1 wall lamp.

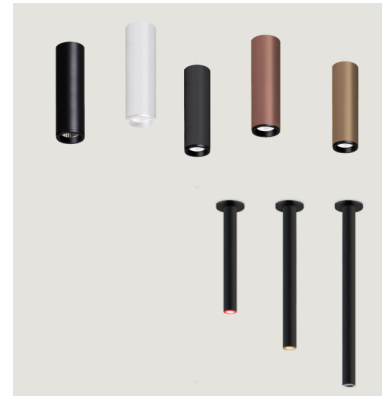

BCN Down

BCN 30 Down & BCN 50 Down

Decorative Surface Mounts

The more diameter the cylinder has, the more power the luminaire gains and the option of putting special LEDs for businesses. This family offers a wide range of possibilities to adapt to the requirements of the environment. In addition, we also have it in suspended and spotlight version.

BCN Air

BCN 30 Air & BCN 50 Air

Decorative Pendant

The more diameter the cylinder has, the more power the luminaire gains and the option of putting special LEDs for businesses. This family offers a wide range of possibilities to adapt to the requirements of the environment. In addition, we also have it in suspended and spotlight version.

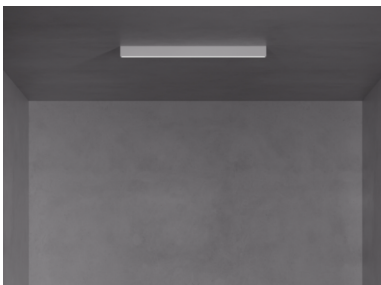

BCN Home

BCN Home 30 1, BCN Home 30 2 & BCM Home 50

Decorative Pendant

We have designed the new accessories for our BCN 30 and BCN 50 Air. These models allow us to mix the concept of technical and decorative lighting. Their clean design allows us to combine the different sizes and finishes.
