## About Abra Lighting

Based in California, Abra Lighting has been illuminating our lives with innovative, contemporary fixtures since 2016. An extensive range of lighting design, Abra has been at the forefront of sleek, modern style fixtures that are of high quality and elevate the overall ambiance of your space. Coming into the lighting world, Abra understands that each space is unique in design, and offers full custom capabilities within their manufacturing plant, to bring you custom fixtures tailored for your project.
