

Ascenti

About Ascenti

ASCENTI Lighting, an evolutionary brand with a desire to align their services with their growing passion for the human-centric lighting aspects of hospitality, architectural, and high-end residential markets. Ascenti chose their company name to describe their continuous efforts to reach that next level, to pursue higher innovation, to ascend and achieve the unachievable. Custom in every fashion, no vision is unobtainable, you dream it, together we can bring it to light!
