

Beachside Lighting

About Beachside

Beachside Lighting, a Hawaiian based manufacturers that has been flawless exterior fixtures since 1994. Manufactured to withstand the harsh coastal climate, not to mention our cold Canadian winters. Tried through the test of time, Beachside provides exquisite finishes that draw the eye and add the design element to any exterior element. From brass, copper, to powder coated finishes, their fixtures are truly a work of art that are meant to be seen and admired. Perfect addition to any landscape!!
