

LumenTruss - Black Lens Series

LumenTruss Black Lens

Wisdom teaches us that it is from the darkness that light emerges. LumenTruss presents the BlackLens, which remains black as long as the light remains off. Don't they say that good design is invisible?

1000 And 5000 Series Black Lens

2200 And 2400 Series Black Lens

4000 Series Black Lens

8000 Series Black Lens
