

Neri

About Neri

Domenico Neri, an artist, sculptor and attentive observer and interpreter of the aesthetic and functional demands of cities, founded Neri in 1962. Through innovation and technological research, Neri has provided outstanding excellence in high-end outdoor furniture and lighting systems that will not only stand the test of time, but improve and enhance your site designs. Neri's offerings span from its traditional cast-iron decorative forms to their award-winning contemporary designs, with similar aesthetic throughout their product line allowing for a cohesive and harmonious site plan.

Come see the beauty of Neri.
