

Ovale Trimless Steplight

With minimalism at its core, Lgn is an interior step light collection that seamlessly meshes with its surroundings. Available in four unique shapes, Lgn is a pre-formed GRG fixture that easily-installs into a building's frame for a flawless trimless look, without the need to cut holes and reducing costs associated with intensive labor.

Body Construction

Constructed from GRG, this trimless fixture features an embedded light fixture and smooth reflective opening that provides clean and glare-free lighting.

Power Consumption

This fixture operates on 24V DC.

Light Output

This accent light is available in 2700 K and 3000 K color temperatures, providing up to 70 lumens.

Dimming

The LED lamp supports 100~1% dimmable functionality when used with dimmable driver.

LED Characteristics

Powered by a 2 watt LED chip that maintains uniform intensity with 70% lumens at 35,000 hours average life; with a minimum CRI of 90.

Beam Spread

The fixture lens provides a 70 degree beam spread.

Linking

Each fixture provided with 22 AWG 2-SPL wire for hardwiring to other fixtures and driver. Use wire type and gauge suitable for application to connect the fixtures.

QuickShip Made-To-Order

Made-To-Order products ship within seven business days of an order being released.

SPECIFICATIONS

Beam Angle	70°
